The image shows a 'User Registration' dialog box for 'Pluck'. The dialog has a title bar 'User Registration' and a Pluck logo. On the left, there is promotional text: 'Why register: Can't share. Can't sync. What can you do? More marketing stuff.' The main area contains registration fields: 'E-mail address:' with the value 'busey@pluck.com', 'Password:' with '\*\*\*\*\*', and 'Confirm Password:' with '\*\*\*\*\*'. A note states: 'E-mail addresses must be verified before the account can become active. In future versions you will be able to register multiple e-mail addresses.' Another note states: 'Passwords must be at least six characters in length and must contain at least one number or symbol.' Below these is a question 'Do you use multiple computers?' with radio buttons for 'Yes' (selected) and 'No'. A final note says: 'Select yes if you use multiple computers and you want Pluck to help you keep your web experience synchronized between them.' At the bottom are three buttons: '< Back', 'Next >', and 'Cancel'. A reference number '300' with an arrow points to the 'Confirm Password' field.

**User Registration**

**Pluck**

Why register:  
Can't share.  
Can't sync.  
What can you do?  
  
More marketing stuff.

**E-mail address:**  
busey@pluck.com

E-mail addresses must be verified before the account can become active. In future versions you will be able to register multiple e-mail addresses.

**Password:**  
\*\*\*\*\*

**Confirm Password:**  
\*\*\*\*\*

300

Passwords must be at least six characters in length and must contain at least one number or symbol.

**Do you use multiple computers?**  
☒ Yes  
☐ No

Select yes if you use multiple computers and you want Pluck to help you keep your web experience synchronized between them.

The image shows a software dialog box titled "User Registration" with a sub-header "Multiple Computers Synchronization Options". It contains two questions with radio button options, a note, and a link for more information. At the bottom are three buttons: "< Back", "Next >", and "Cancel". A reference numeral "300" with an arrow points to the right side of the dialog box.

**User Registration**

**Multiple Computers**  
Synchronization Options

**Do you want Pluck to automatically synchronize your favorites information between multiple computers ?**  
☐ Yes  
☐ No

**Do you want Pluck to import your favorites from Internet Explorer into Pluck Favorites?**  
☐ Yes  
☐ No

Note: Synchronization only works with Pluck Favorites, so if you want your existing favorites to be synchronized between multiple computers you must select this option

**What is synchronization?**

*You can turn synchronization on later if you choose not to activate it now*

The image shows a software dialog box titled "User Registration". Inside, there is a section titled "E-mail Notification Options" with the subtitle "Sharing Links with Users Who Are Not Registered with Pluck". The main text asks: "If a user does not have Pluck installed, Pluck will automatically e-mail the shared link, note, and other information to the user. Is this ok?". There are two radio buttons: "Yes" (selected) and "No". Below this, a note states: "If you do not enable this option, attempts to share links with users who are not Pluck users will not be work." Another line of text says: "If you would like to include an additional message in this e-mail type it here:". This is followed by a text input field with the placeholder "Enter Text" and a vertical toolbar with icons for undo, redo, and other editing functions. An arrow labeled "300" points to this toolbar. At the bottom, there are three buttons: "< Back", "Next >", and "Cancel". A note at the bottom reads: "Note: Pluck uses e-mail addresses only to deliver links you have shared with users, we do not sell these e-mail addresses or use them for other purposes."

User Registration

**E-mail Notification Options**  
Sharing Links with Users Who Are Not Registered with Pluck

If a user does not have Pluck installed, Pluck will automatically e-mail the shared link, note, and other information to the user. Is this ok?

☒ Yes  
☐ No

If you do not enable this option, attempts to share links with users who are not Pluck users will not be work.

If you would like to include an additional message in this e-mail type it here:

Enter Text

6/22

The image shows a 'User Registration' dialog box with a title bar. Inside, the section 'Invite Users' is highlighted. Below this, there is a paragraph of text: 'Invite your friends to use Pluck so that you can easily share links with them, create private shared folders with them, and much more.' This is followed by the instruction 'Enter e-mail addresses here:' and a text input field containing 'dpanos@pluck.com, sryder@pluck.com'. A note below the field states 'Multiple e-mails should be separated with commas.' An arrow labeled '300' points to this note. Below the email field is a larger text area labeled 'Enter Text' with a vertical toolbar on its right side. At the bottom, a 'Note' explains that Pluck will send one invitation and not spam. The dialog concludes with three buttons: '< Back', 'Next >', and 'Cancel'.

**User Registration**

**Invite Users**

Invite your friends to use Pluck so that you can easily share links with them, create private shared folders with them, and much more.

**Enter e-mail addresses here:**

dpanos@pluck.com, sryder@pluck.com

Multiple e-mails should be separated with commas.

Enter Text

Note: Pluck will send one invitation to the user(s) you invite. Pluck will not spam them, share their e-mail address, or send them additional e-mails (unless you share a link with them later).
